

# HOLLY HUNT LEATHER

## LEATHER NUMBER AND NAME

7500 / CALEDONIAN

## DESCRIPTION

HOLLY HUNT partners with premier Scottish tannery, Bridge of Weir to bring an special collection of high performance leather stateside. Caledonian is a smooth, dense leather with little stretch and has a protected, matte finish. This premium leather is available in a wide spectrum of colors and stocked at the tannery for immediate shipment.

Caledonian is tested and certified to meet the most exacting standards of performance and safety. It is suitable for high traffic areas; commercial or domestic furniture, aviation and automotive use.

Bridge of Weir operates the leather industry's only Thermal Energy Plant where process waste is recycled into energy for use in the manufacturing process. As a result, Caledonian is considered low carbon leather.
