CLEANING & CARE

- This item features a strong, Teflon finish and inherently repels most stains when addressed promptly. For optimal textile performance, maintain fabrics by gently cleaning the surface regularly with a soft cloth, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. For periodic maintenance, GREAT PLAINS recommends using a solution of lukewarm water (max 35°C, 95°F) and a neutral soap.

SPILLS OR STAINS

- For any liquid or gel stains, GREAT PLAINS recommends blotting immediately with a dry cloth to lessen the chance of a permanent stain.
- JEANS: This product is easily cleaned by gently wiping a cotton ball soaked in milk. Rinse thoroughly and air dry before use.
