CLEANING & CARE

- 100% Solution Dyed fibers are kidproof, dyed-through, easy to clean and don't fade!
- Maintain fabrics by brushing off dirt before it becomes embedded, wipe up spills as soon as they occur or spot clean soon after stains occur.
- Spot clean only with a soft sponge or cloth. Do not use a brush as it may abrade the fibers. The delicate weave and fine denure of the yarns can break when cleaned with rough bristles.
- If upholstered, be certain to remove all water or bleach after cleaning. A wet/dry extractor is recommended to thoroughly flush the affected area and remove all moisture.
