DESCRIPTION

A bold new addition to the Great Outdoors line, VOLUME features the artwork of Fraser Taylor. We've translated a drawing of his into this dynamic jacquard so you can bring his work into your home. The striking onyx colorway offers an avant garde punch to any space, whereas the chalk colorway is a perfect base fabric for any room. We imagine this artistic textile being used for a diverse range of applications, from cushions on our new Manta Ray Day Bed to large-scale drapery installations.

CLEANING & CARE

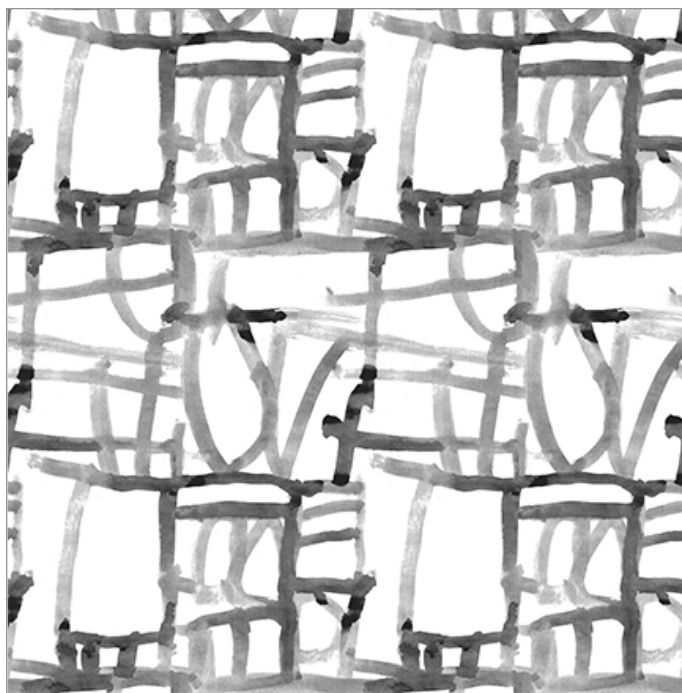

- Do not dry clean.
- 100% Solution Dyed fibers are kidproof, dyed-through, easy to clean and don't fade!
- Maintain fabrics by brushing off dirt before it becomes embedded, wipe up spills as soon as they occur or spot clean soon after stains occur.

(Cleaning and care, continued...)

- Spot clean only with a soft sponge or cloth. Do not use a brush as it may abrade the fibers. The delicate weave and fine denure of the yarns can break when cleaned with rough bristles.
- If upholstered, be certain to remove all water or bleach after cleaning. A wet/dry extractor is recommended to thoroughly flush the affected area and remove all moisture. Extensive cleaning instructions available at www.hollyhunt.com.
