

HOLLY HUNT LEATHER

SKU AND NAME

9402 / DUCHESS

DESCRIPTION

Duke is back and re-envisioned as Duchess! Only the best hides are selected at the tannery for this nearly naked quality to ensure the cleanest hides. This gorgeous, soft leather has a natural quality which will patina over time. A light top coat is added during production for added protection. A new gorgeous palette incorporating alabaster, soft grey, deep red and purple are introduced to this quality while popular saddle colors of Duke are brought back. This quality is now produced in Italy.

TESTING INFORMATION

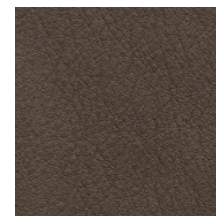

- Passes 100,000 Wyzenbeek Double Rubs
- Passes CAL 117
- NFPA 260: Class I
- Passes BS 5852 Source 0 & 1 with FR Rated Foam
- FR Treat to pass BS 5852 Crib 5

CLEANING & CARE

- Remove regular dust with a slightly damp cloth. Air dry.
- Clean spots with a slightly damp cloth and rub gently in circular motions only, so that the leather tipping does not get damaged. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration.
