# ROMAN FOLD SHADE HEADERBOARD DEPTH CHART

## STANDARD

A 1"H x 1"D headerboard with cord cleat is standard unless otherwise specified on your purchase order (or if options require a deeper headerboard).

The headerboard is neatly wrapped in the shade fabric on all sides.

A deeper headerboard is provided in lieu of the standard 1"H x 1"D wrapped headerboard when options require.

The below chart provides the headerboard depth by shade style and method of operation.

Headerboards deeper than 1" have their undersides painted in a coordinating hue, rather than fabric-wrapped.

SHADE STYLE	CORD CLEAT	CORD LOCK	SMALL CONTROL LOOP	CONTROL LOOP	MOTOR*
Standard Roman	1"D	1"D	1-1/2"D	2"D	2-1/2" - 3-1/2"D
Front Operation Roman	1-1/2"D	1-1/2"D	2"D	2-1/2"D	3" - 4"D
Top-Down/Bottom-Up Roman	1-1/2"D	1-1/2"D	n/a	n/a	n/a
Top-Down Only Roman	1-1/2"D	1-1/2"D	2"D	3"D	3" - 4-1/2"D

\*Headerboard depth varies with motor type.
