

HOLLY HUNT GREAT PLAINS

FABRIC NUMBER AND NAME

1963 / COCO

DESCRIPTION

In Europe we are excited to see that there is a trend towards Chanel-like weaves with novelty boucle yarns. Inspired by this, we are proud to introduce Coco, our own interpretation of this concept. This dense chenille, offered in three colorways, has a mutli-tonal look for easy coordination. Similar to our Herringbone Tweed which was introduced earlier this year, this item can pull together a color story. Stocked with knit backing, a stain repellent finish, and a high DR rating, this article is ideal for living room or dining room accent pieces for both residential or contract spaces.

CLEANING & CARE

- Dry clean only.
- For optimal textile performance, maintain fabrics by gently vacuuming dirt before it becomes embedded, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. Avoid excessive brushing that may abrade the fibers.
