## FABRIC NUMBER AND NAME

177 / STARBOARD

## DESCRIPTION

A new outdoor window weight, STARBOARD comes to us in three new colorways, all featuring a warm undertone! With a heathered and painterly look, they scheme easily with all colors from warm to cool. Since this item can be lined or unlined, it's extremely versatile in its application. Left unlined, it's ideal for an area where you'd like some privacy and limited light control, but want to add a soft look to the window. ## CLEANING & CARE

- Dry clean only.
- 100% Solution Dyed fibers are kidproof, dyed-through, easy to clean and don't fade!
- Maintain fabrics by brushing off dirt before it becomes embedded, wipe up spills as soon as they occur or spot clean soon after stains occur.
- Spot clean only with a soft sponge or cloth. Do not use a brush as it may abrade the fibers. The delicate weave and fine denure of the yarns can break when cleaned with rough bristles.
