

HOLLY HUNT GREAT PLAINS

FABRIC NUMBER AND NAME

1611 / PHARAOH

DESCRIPTION

A completely new velvet quality for the Great Plains line created from luxe camel hair! Although an innovative new material for our collection, camel hair has been used throughout history for fashion fabrics, especially woven into coats. The uneven cut texture has a unique dense hand and an even slightly casual look. We recommend this item for striking upholstery on our Mesa chair or as a substitute for Royal Alpaca.

CLEANING & CARE

- Dry clean only.
- For optimal textile performance, maintain fabrics by gently vacuuming dirt before it becomes embedded, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. Avoid excessive brushing that may abrade the fibers.
