FABRIC NUMBER AND NAME

4051 / HIDDEN FALLS

DESCRIPTION

One of our favorites of this collection, HIDDEN FALLS is a double width linen sheer that features original artwork. For clients who love Double Ombre and are looking to make a statement, these sheers appear to be hand painted with dye, but are actually digitally printed! Hidden Falls will look amazing in large installations and can be used both lined or unlined. We look forward to the creative installations that our clients will do with this artistic textile!

CLEANING & CARE

- For optimal textile performance, maintain fabrics by gently vacuuming dirt before it becomes embedded, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. Avoid excessive brushing that may abrade the fibers.
- As necessary, steaming may be done from back of fabric in downward strokes. Always test a small corner of the fabric first. Keep a few inches of distance between the steamer and the fabric, and do not steam in one place of a fabric for too long. Shipping linens folded may cause creasing that may be difficult to remove, even with steaming. Standard shipping recommended.
