

HOLLY HUNT GREAT PLAINS

FABRIC NUMBER AND NAME

502 / MASQUERADE

DESCRIPTION

Masquerade is an ALMOST LEATHER reminiscent of a hand tipped embossed leather. Its two-tone quality and soft surface make it almost identical to a genuine leather. ALMOST LEATHER is durable, easy to clean, and great for contract use!

CONTENT

56% Polyurethane 44% Polyester

WIDTH

52" (132 cm)

CLEANING & CARE

- For optimal textile performance, maintain fabrics by gently cleaning the surface regularly with a soft cloth, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. For periodic maintenance, GREAT PLAINS

recommends using a solution of lukewarm water (max 35°C, 95°F) and a neutral soap.

SPILLS OR STAINS

- For any liquid or gel stains, GREAT PLAINS recommends blotting immediately with a dry cloth to lessen the chance of a permanent stain.

SPECIFIC STAINS

- SOFT DRINKS: Remove as much residue as possible by blotting with a towel. Clean with water and neutral soap.
- ALCOHOLIC BEVERAGES & COSMETICS: Remove as much residue as possible by blotting with a clean towel. Follow by cleaning with water and neutral soap. If the stain is persistent, clean with diluted (10%) ethanol, then clean again with water and neutral soap, then rinse. Air dry before use.
- INK, OIL & GREASE: Apply perchloroethylene (dry cleaning fluid) delicately from the outside of the stain towards its center to avoid halos.
- If the use of solvents is necessary, verify their effect on the product by testing in a hidden area. If they alter the color or remove the finish from the product, do not use them. DO NOT use cleaners that contain muriatic or hydrochloric acid (found in tile and toilet bowl cleaner).
- Finally, please note that these fabrics may be damaged by petroleum or oil-based solvents. Such solvents may remove the plasticizer in the fabric and cause permanent stiffening.

NOTES

- Subtle repeat appears when used for wall upholstery and flat surfaces. Please contact a sales associate for further details.
