1. DEAN by **DEDON** is a collection of chairs that takes inspiration from racing yachts. Its elegant form integrates harmoniously with any outdoor environment or décor. All fastenings have been eliminated or hidden so the eye is drawn to details like the teak armrest inserts and double-layered sling back. dedon.us

2. The Serenity Collection by **Mohawk Group** offers carpet and commercial sheet flooring with soft organic patterns and textures. The healthcare line offers seven healing visuals with looks that mimic textiles and wood. Designers can thoughtfully coordinate these soothing styles with LVT and rubber options. mohawkgroup.com

3. The uniquely configured Escher LED wall sconce is the latest addition from **Modern Forms**. Different vantage points offer dramatic views of the intertwined metal bands that glow with varying ambient light levels. The 14-inch-tall luminaire can be mounted vertically or horizontally. modernforms.com

5. **2nd Ave Lighting** introduces the Anillo Ellipse 5 Light Cascading Pendant. This sophisticated system features adjustable elements of ambient light, including five elliptical spectral halos that appear to rotate. This handcrafted fixture operates with high-powered LEDs that deliver dimmable illumination and energy savings.
