- Passes CAL 117
- Passes NFPA 260

WEIGHT

Upholstery

FREIGHT CODE

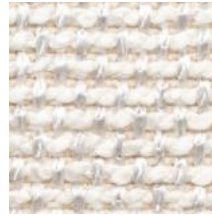

C

CLEANING & CARE

- Dry clean only.
- For optimal textile performance, maintain fabrics by gently vacuuming dirt before it becomes embedded, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. Avoid excessive brushing that may abrade the fibers.
