FABRIC NUMBER AND NAME

1610 / FORGIVING SINS

DESCRIPTION

The weave of this velvet creates a perfect mix of casual and refined and is offered in a graceful range of colors. The luster in the pile comes from the cotton-viscose blend and has the addition of a slub yarn which adds depth and richness to its texture. The antiqued finish gives this item a pre-crushed look which makes it easy to care for and perfect for medium to high traffic areas! Great movement in the pile has a similar look to the beauty that was so beloved in Best Dressed!

CLEANING & CARE

- Professional dry cleaning is recommended.
- For optimal textile performance, maintain fabrics by gently vacuuming dirt before it becomes embedded, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. Avoid excessive brushing that may abrade the fibers.
