DESCRIPTION

Heritage is a dense upholstery blend with a heathered wool and linen surface. Its durable weave allows it to pass 100,000 Wyzenbeek double rubs, making it great to suggest for contract spaces. This item is perfect for high traffic areas as it is stocked with a stain repellent finish and is pre-backed for added lead time and selling convenience. The stain repellent finish is incorporated during textile production by an immersion process (vs. a topical spray) which allows for the most effective protection.

CLEANING & CARE

- Professional dry cleaning with any solvent except trichloroethylene is recommended.
- For optimal textile performance, maintain fabrics by gently vacuuming dirt before it becomes embedded, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. Avoid excessive brushing that may abrade the fibers.
