

# HOLLY HUNT LEATHER

---

## SKU AND NAME

9376 / ROMEO

## DESCRIPTION

Romeo is a polished and pristine leather with subtle grain texture and saturated color. Natural highs and lows are visible under the surface, as the color is saturated within the hide rather than applied on the surface. A light layer of protection is added to the surface to repel liquid spills. With time and after normal use, Romeo will develop a patina due to its beautiful, natural quality. The sophisticated color ranges from classic Holly Hunt neutrals to rich, warm saddle and leather good tones.

## CONTENT

Full cow hide

## AVERAGE HIDE SIZE

52 SQ FT (4.8 SQ M)

## AVERAGE LARGEST CUT SIZE

67" Vertical 50" Horizontal  
(170 cm Vertical 127 cm Horizontal)

L

## TESTING INFORMATION

- CAL 117: Pass
- NFPA 260: Class I
- Passes 100,000 Wyzenbeek Double Rubs  
Suitable for residential use or light contract use
- BS 5852: Passes Source 0 & 1 with FR Rated Foam

## CLEANING & CARE

- Remove regular dust with a slightly damp cloth. Air dry.
- Clean spots with a slightly damp cloth and rub gently in circular motions only, so that the leather tipping does not get damaged. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration.
