CLEANING & CARE

- Dry Clean with any solvent except Tetrachloroethylene
- For optimal textile performance, maintain fabrics by gently vacuuming dirt before it becomes embedded, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. Avoid excessive brushing that may abrade the fibers.

NOTE

This item will have inherent dark threads running through due to the natural wool content.
