Cleaning & Care
- Maintain fabrics by brushing off dirt before it becomes embedded, wipe up spills as soon as they occur or spot clean soon after stains occur.
- Spot clean only with a soft sponge or cloth. Do not use a brush as it may abrade the fibers. The delicate weave and fine denure of the yarns can break when cleaned with rough bristles.

Knit backing is recommended for use on HOLLY HUNT upholstered product. For all other upholstery, please consult your workroom.
