CLEANING & CARE

- Professional dry cleaning is recommended.
- For optimal textile performance, maintain fabrics by gently vacuuming dirt before it becomes embedded, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. Avoid excessive brushing that may abrade the fibers.

BACKING RECOMMENDATION

Knit backing is recommended for use on Holly Hunt upholstery product. For all other upholstery, please consult your workroom.
