CLEANING & CARE

- Gentle, Dry Clean.
- Maintain fabrics by brushing off dirt before it becomes embedded, wipe up spills as soon as they occur or spot clean soon after stains occur.
- Spot clean only with a soft sponge or cloth. Do not use a brush as it may abrade the fibers. The delicate weave and fine denure of the yarns can break when cleaned with rough bristles.
- For optimal textile performance, maintain fabrics by gently vacuuming dirt before it becomes embedded, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. Avoid excessive brushing that may abrade the fibers.
