DESCRIPTION

Kick back and relax on our new casual upholstery WEEKENDER! This fresh article is making a big entrance to the Great Plains line with the introduction of eight new colorways. This upholstery features a multi-tonal basket weave, giving this article a richness and depth of color and making it easy to scheme. Within the large color range there is lots of diversity; the lighter colorways lend themselves to a more casual look, whereas the darker colorways are elegant and dressy. CLEANING & CARE

- Professional dry cleaning is recommended.
- For optimal textile performance, maintain fabrics by gently vacuuming dirt before it becomes embedded, wipe or blot spills as soon as they occur, and spot clean soon after stains occur. When spot cleaning, always test a small, inconspicuous part of the furniture in case of discoloration or shrinkage. Avoid excessive brushing that may abrade the fibers.
